

SECTION 9.1: STRATEGY FOR ADDRESSING HOUSING NEEDS

The Houston Housing Authority plans to address the housing needs of families in its jurisdiction and on the waiting list in the upcoming year by employing the following initiatives:

- Building and/or acquiring more tax-credit developments with affordable housing;
- Maximizing the utilization of the Authority's housing choice vouchers;
- Decreasing public housing vacancies by reducing unit turn-around days and lease-up days;
- Spurring affordable housing development and/or rehabilitation by offering project based vouchers;
- Applying for funding opportunities that become available.
