COMMENTS RECEIVED FROM THE RAB DURING THE FY 2012 ANNUAL PLAN COMMENT PERIOD

Soliciting input from the Resident Advisory Board (RAB) on each year's Annual Plan is an integral part of the Plan development process. To help foster RAB involvement, HHA's executive team met with the RAB on June 30, 2011 to discuss the Annual Plan development process and schedule. HHA provided the RAB with a point of contact for questions and comments. The RAB was provided the draft 2012 Annual Plan at the commencement of the public comment period, on July 27, 2011.

On August 18, 2011, HHA's executive team held a meeting with the RAB to solicit comments on the draft Annual Plan. At the meeting, members of the RAB commented on the Annual Plan and other important issues that were not specifically related to the Plan itself, but important to residents and voucher holders none-the-less. One member of the RAB also submitted written comments before the end of the Annual Plan public comment period on September 9th. The comments were not related to the Plan, and, as a result, are not included here. HHA did, however, provide a written response to the RAB regarding the concerns and questions they raised during the Annual Plan development and review process.
